SECTION I: INTRODUCTION

Purpose and Amendment

The purpose of this manual is to establish policies and procedures related to supervisor responsibilities and conduct, district operations, and personnel administration. Prior to 2015 Isanti SWCD adopted the Isanti County Personnel, Policy and Procedure Manual. This Manual completely replaces use of the Isanti County Manual.

The Isanti SWCD Board of Supervisors (District Board) reserves the right to modify these policies at its discretion. Amendments shall be adopted upon majority vote of the District Board. The handbook shall be reviewed with all new employees and provided to new supervisors and is available in the district office. The policies in this handbook supersede and/or revoke all previous Isanti SWCD policies of similar intent.

Management Rights

The District Board retains the full and unrestricted right to operate and manage all resources, facilities, and equipment; to establish functions and programs; to set and amend budgets; to determine the utilization of technology; to establish and modify the organizational structure; to select, direct and determine the number of personnel; to establish work schedules, and to perform any inherent managerial function not specifically limited by these regulations or District Board resolutions.

Statutory Authority

As a Soil and Water Conservation District, Isanti SWCD derives its authority from Minnesota Statute Chapter 103C. The following shows excerpts from that statute.

Maintaining and enhancing the quality of soil and water for the environmental and economic benefits they produce, preventing degradation, and restoring degraded soil and water resources of this state contribute greatly to the health, safety, economic well-being, and general welfare of this state and its citizens. Land occupiers have the responsibility to implement practices that conserve the soil and water resources of the state. Soil and water conservation measures implemented on private lands in this state provide benefits to the general public by reducing erosion, sedimentation, siltation, water pollution, and damages caused by floods. The soil and water conservation policy of the state is to encourage land occupiers to conserve soil, water, and the natural resources they support through the implementation of practices that:

- (1) control or prevent erosion, sedimentation, siltation, and related pollution in order to preserve natural resources;*
- (2) ensure continued soil productivity;*
- (3) protect water quality;*
- (4) prevent impairment of dams and reservoirs;*
- (5) reduce damages caused by floods;*
- (6) preserve wildlife;*
- (7) protect the tax base; and*
- (8) protect public lands and waters.*

In order to carry out its mission, Isanti SWCD has several powers granted in law. The following paraphrases those authorities.

SWCDs may;

- Conduct resource surveys and demonstration projects,
- Carry out soil and water conservation measures on any lands in the district with the consent of the landowner,

- Cooperate or enter into agreements with any governmental agency or individual landowner for the purpose of carrying on a program of erosion prevention and control,
- Purchase or accept property and income and provide equipment and supplies that will help to bring about conservation practices,
- Construct, install, improve, maintain, and operate such structures and works as may be necessary for proper performance of the district,
- Develop a comprehensive and annual plan for the conservation of soil and water resources. These plans are required for the district to receive state grant funds,
- Assume land by purchase, lease or otherwise to improve, maintain, operate, and administer any soil and water conservation project undertaken by federal or state government,
- Sue or be sued,
- Require compensation or contributions for goods and services provided,
- Make application or enter into an agreement with any designated authority for federal assistance,
- Perform any other acts necessary to secure and use federal aid,
- Acquire land, easements, or rights-of-way needed in connection with works of improvement installed with federal assistance,
- Use necessary funds to provide membership in state and national associations that pertain to district operations, and is authorized to participate and appropriate necessary funds to defray expenses of district representatives for meetings of such groups,
- Procure necessary insurance,
- Publish any information related to the activities of the district,
- Provide advice to or consult with county or municipal representatives, and
- Present an annual budget to the board of county commissioners.

District Mission

To provide guidance; to inspire action; and to bring innovative resources to the table so that people can become leaders in keeping land and water healthy for future generations.

District Core Values

Core values are principles that give our work meaning, make sure everyone is on the same page, and help us persevere through adversity. They are beliefs that guide our organizations actions, unite employees, and define our brand. Values should be referred to when hiring staff so that we make sure we are hiring people with the same values as the organization. Additionally, staff should review these values regularly to make sure their actions align with them.

Communication: When communicating with the public and partners we will quickly get to the point, we will let people know when we don't know the answer and then work to find the answer, we will keep people in the loop, we won't use technical terms and we will always be patient, professional and respectful.

Trust: We will always be upfront, honest and transparent. We work hard to build trust and relationships

with the public and our partners—we invest in relationships by committing to our core values. By gaining trust, we build an emotional bank account that we can rely on when things don't go well.

Accountable: If we say we will do something we will do it, we will work hard, get the job done and deliver outstanding results. We will strive to go above and beyond expectations. Furthermore, when we make mistakes, we will take responsibility for them and we won't make excuses.

Growth Mindset: We aren't afraid to make mistakes and we will strive to learn from our mistakes. We will work to stay relevant and innovative by thinking outside of the box. We continually seek out new opportunities to be trailblazers.

Helpful and Kind: We won't leave anyone hanging without answers, we will point the public in the right direction, we will make every effort to aid the public out even if their question does not pertain to our statutory duties.

Open Minded: We will listen to other people's points of view and try to understand them.

Passionate: We show up excited to do our jobs and to carry our mission, even if we are working on a task that is tough or not our area of expertise and/or favorite activity.

Celebrate and Have Fun: We always remember to celebrate small victories and to have fun while doing our jobs! We work hard while we are on the clock but we also strive to take time off to enjoy life - family is priority.

SECTION II: SUPERVISORS

The Isanti SWCD has a board of supervisors with a variety of expertise elected to four-year terms. The Board of Supervisors determines the priorities and goals for the districts and charges the staff with developing the programs and services necessary to address those priorities. Although they are elected at-large, each supervisor represents a specific geographic area, called a district. Supervisor districts have been defined to encompass roughly equal areas because Supervisors represent not only their constituents but also the natural resources directly.

Soil and water conservation district supervisors are entrusted with some of Minnesota's most precious assets: our natural resources. A supervisor's primary responsibility is to ensure that the community uses its natural resources wisely, with an eye toward the future. To do this, Supervisors must seek and achieve a delicate balance between people and the land we inhabit. The future of Minnesota's environment rests on a Supervisor's ability to maintain this balance and garner support from the community for an active and protective natural resources program.

Board Member Responsibilities

All members of the Isanti SWCD Board have equal votes and all should be treated with equal respect.

DUTIES OF SECRETARY

- Coordinate with Supervisors and the District Manager to prepare board meeting agendas and packets
- Oversee staff compilation and posting of meeting minutes and notices

There are three key aspects to the role of a supervisor as an SWCD board member:

- Policy development,
- Annual and long-range plans and budgets, and
- Working with the district staff.

POLICY DEVELOPMENT

The SWCD board of supervisors is a policy board, meaning that its primary focus is not on running the day-to-day activities of the district, but on setting overall policy and long-term objectives. The staff then uses these policies and objectives to ensure that the district is proceeding in the general direction laid out by the board. Policies are best developed before a situation arises that necessitates direction.

Although it is the board's responsibility to develop policy and the staff's responsibility to implement it, you will find that the fairest and most useful policies are developed with the help of significant staff input.

PLANNING AND BUDGETS

One of the most important parts of supervisors' jobs is developing your district's annual and comprehensive plans, and annual budgets. The plans are required under Minnesota Statutes Chapter 103C.331. To be eligible for grant funding from the BWSR, all districts must have an approved comprehensive and annual plan on file.

The comprehensive plan (long-range plan) must cover a minimum of five years. The SWCD can adopt the county's comprehensive local water plan by resolution to meet this requirement.

Annual plans cover one year, but may be substituted with a Biennial Budget Request (BBR) to the Board of Water and Soil Resources. Annual plans must be submitted to the BWSR by March 15; the BBR may have a different deadline. The annual plan should fulfill the comprehensive plan by identifying items that can be accomplished over the course of the year. Both annual and comprehensive plans must include budgets.

When working on the annual and long-range plans, supervisors should take a strong leadership role in the following areas:

- Supervisors must determine the purpose of the district in the community.
- Supervisors must decide which resource problems the district will address and their relative importance.

- Supervisors should look at the big picture and develop broad policies that address the resource as a whole in their SWCD. Staff can work within these broad policies to address individual concerns.
- Supervisors must outline the actions to be conducted by the board and staff to carry out their stated objectives. These actions should be consistent with the mission statement and will result in a more effective conservation program.
- The board must formally adopt the plan.

To achieve full participation in the planning process by both board and staff, a planning committee may be formed to develop the plan for recommendation to the board. The chair may appoint one or two board members to work with staff to develop the plan.

WORK WITH DISTRICT STAFF

Governance of the District relies on the cooperative efforts of elected officials who set policy and District staff who implement and administer those policies. Therefore, every effort should be made to be cooperative and show mutual respect for the contributions made by each individual for the good of the community. The following guidelines should be followed.

- Treat all staff as professionals.
- Requests for individual staff assistance should be directed through the District Manager.
- Never publicly criticize an employee.
- Minimize involvement in day-to-day operations, instead allowing staff to carry out the broad directives of the board.
- Do not solicit political support from staff.

ROBERT'S RULES

The conduct of all meetings of the Board shall be generally governed by the most recent edition of Robert's Rules of Parliament Law www.robertsrules.org.

COMMITTEES

Isanti SWCD supervisors also serve on committees to analyze detailed information on issues requiring intensive review prior to full board action. Some committees are internal and others function on a metro or statewide level. Supervisors choose to participate in committee meetings to offer personal expertise in the area of discussion or to gain more knowledge of the subject matter. Committees provide recommendations to the full board of supervisors.

1) *Internal Committees*

Internal committees are comprised of three supervisors but are not authorized to take action on behalf of the full board. Their function is to consider complex topics in greater detail and provide a recommendation for action to the full board. The Isanti SWCD may form three internal committees.

(a) Finance Committee

The finance committee reviews the District's finances, prepares annual budgets, and ensures adequate financial controls.

(b) Operations Committee

The operations committee reviews issues related to the programs and services of the District and provides guidance to staff on projects and procedures. This committee is responsible to review and formulate policy recommendations.

(c) Personnel Committee

The personnel committee is responsible for personnel management issues of the District including but not limited to employee recruitment, compensation, benefits, evaluations, discipline and dismissal.

2) *External Committees*

There are also several external committees that supervisors take part in. Supervisors that take part in external committees are expected to represent the interests of the District during the meetings and events and report back to the District on the activities of the organization. Example external committees include:

- Metro Conservation Districts
- Metropolitan Association of Conservation Districts
- MASWCD Committees (Awards, Education, Legislative, Resolution/Policy)

(Not all prohibited bases will apply to all programs and/or employment activities.)

Government Data Practices

RIGHT TO ACCESS PUBLIC DATA

The Data Practices Act (Minnesota Statutes, Chapter 13) presumes that all government data are public unless a state or federal law says the data are not public. Government data is a term that means all recorded information a government entity has, including paper, email, CD-ROMs, photographs, etc. The Data Practices Act also provides that Isanti SWCD must keep all government data in a way that makes it easy for members of the public to access public data. The public has the right to look at (inspect), free of charge, all public data that Isanti SWCD keeps. The public also has the right to get copies of public data. The Data Practices Act allows Isanti SWCD to charge for copies. The public has the right to look at data, free of charge, before deciding to request copies.

HOW TO MAKE A DATA REQUEST

To look at data or request copies of data that Isanti SWCD keeps, the public must make a written request. Written requests for data must be to the appropriate individual listed in Data Practices Contacts in this handbook. Written request for data may be by mail, fax, or email using the data request form on page 62 of the appendix. If the data request form is not used, the written request must include:

- a statement that the request for data is under the Data Practices Act, MN Statutes, Chapter 13;
- whether the request is to look at the data, get copies of the data, or both; and
- a clear description of the data to be inspected and/or copied.

Isanti SWCD cannot require members of the public to identify themselves or explain the reason for the data request. However, depending on how the data request is to be processed (for example, emailed or mail), Isanti SWCD may need contact information. If no identifying information is provided by the public, it will be the responsibility of the public to contact Isanti SWCD to check on the status of the request. If Isanti SWCD does not understand the request and has no way to contact the requesting party, Isanti SWCD will not be able to begin processing the request.

HOW ISANTI SWCD RESPONDS TO A DATA REQUEST

Upon receiving a written request, Isanti SWCD will work to process it.

- If Isanti SWCD does not have the data, the requestor will be notified in writing as soon as reasonably possible.
- If Isanti SWCD has the data, but the data are not public, Isanti SWCD will notify the requestor in writing as soon as reasonably possible and state which specific law says the data are not public.
- If Isanti SWCD has the data, and the data are public, Isanti SWCD will respond to requests appropriately and promptly, within a reasonable amount of time by doing one of the following:
 - arrange a date, time, and place to inspect data, for free, if the request is to look at the data, or
 - provide the requestor copies of the data as soon as reasonably possible. Copies may be picked up, mailed, emailed or faxed. If requestors want copies to be delivered to them, sufficient contact information will be required to do so. We will provide electronic copies (such as email or CD-ROM) upon request if we keep the data in electronic format. The Data Practices Act does not require Isanti SWCD to create or collect new data in response to a data request if Isanti SWCD does not already have the data, or to provide data in a specific form or arrangement if Isanti SWCD does not keep the data in that form or arrangement. For example, if the data requested are on paper only, Isanti SWCD is not required to create electronic documents. If Isanti SWCD agrees to create data in response to requests, Isanti SWCD will work with the requestor on the details of the request, including cost (per Minnesota Statutes Chapter 13) and response time. In addition, the Data Practices Act does not require Isanti SWCD to answer questions that are not requests for data.

REQUESTS FOR SUMMARY DATA

Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data. Isanti SWCD will prepare summary data if requests are made in writing and pre-payment for the cost of creating the data is received. DATA RETRIEVAL COSTS

Isanti SWCD charges for copies of government data, including staff time, materials and copy expenses. These charges are authorized under Minnesota Statutes, section 13.03, subdivision 3(c). Hourly rates for staff time are noted in Isanti SWCD's annually approved fee schedule. The charge for is the actual cost of searching for and retrieving the data, and making the copies or electronically transmitting the data (e.g. sending the data by email). In determining the actual cost of making copies, Isanti SWCD factors in employee time, the cost of the materials onto which the data are copied (paper, CD, DVD, etc.), and mailing costs (if any). If requests are for copies of data that Isanti SWCD cannot reproduce internally, such as photographs, the actual cost paid to an outside vendor to make the copies will be charged. The lowest paid employee class capable of, or available to provide, data search, retrieval and copy services will be utilized.

Travel and General Expense Reimbursement

INTRODUCTION

This policy has been adopted by the District Board to be consistent with Minnesota Statutes for claims against the District incurred by employees and supervisors in the conduct of official District business. Further, this policy is designed to provide the basis for determination that: there is authority for the District expenditure, the expenditure serves a public purpose and finally, the expenditure is necessary and directly related to the betterment of the functions of the District.

APPLICATION AND ADMINISTRATION

This policy shall apply to all employees and elected officials of the District except as noted below. Reimbursement will not be granted for any expenses already reimbursed by another party. Parties involved in the willful violation of this policy are subject to disciplinary action.

BILLINGS

Whenever possible, employees and supervisors shall make travel and accommodation arrangements in advance and request the District be billed. All authorized travel expenses that are not billed directly to the District are to be paid by the employee or supervisor, subject to reimbursement upon approval of an expense claim.

AUTHORIZED EXPENSES

1) Privately-Owned Automobile

Employees and supervisors may be reimbursed for traveling on official business with a private automobile at the prevailing mileage rate established by the IRS when no district vehicle is reasonably available. When a district vehicle is reasonably available and an employee or supervisors chooses to utilize their personal vehicle, they may be reimbursed for the actual cost of fuel incurred. Mileage shall be paid on the most reasonable direct route. Employees and supervisors are eligible for mileage reimbursement:

- a. When a private vehicle is used for official District business.
- b. For miles traveled in excess of those which the employee would normally have had to travel from residence to the District Office or work site and return (supervisors may be reimbursed for all miles driven).
- c. Total mileage shall be allowed for travel on a non-work day.

2) Privately-Owned Boats and Trailers

When using their privately-owned utility trailer or boat for work purposes the District will not assume any liability for accidents or injuries of any kind. Operators will not be compensated for usage of personal equipment.

3) *3.Parking*

Employees and supervisors using private automobiles and District vehicles shall be reimbursed on an actual expense basis for parking. Receipts for such payments shall be submitted with the expense reimbursement request whenever possible.

4) *Lodging, Meals and Incidentals*

Employees and supervisors may claim reimbursement for lodging, meals and incidentals at actual cost in accordance with the following:

(a) Lodging

Charges for lodging will be reimbursed for only the night prior to the formal start or one night beyond the end of the conference, seminar, meeting, etc. and those nights when the event is actually in session. Receipts shall be submitted for reimbursement. An exception can be made if it can be clearly documented that a reduced airfare or other travel cost can be obtained by staying additional days (i.e., over a Saturday night). The reduction in travel cost must exceed the additional lodging and meal costs.

(b) Meals

Meals will be reimbursed up to a maximum of \$30.00 per day including tax and tip. Meal expenses in excess of the maximum will require special employee or supervisor justification and itemized receipts. Employee meal reimbursements in excess of these guidelines must be approved by the District Manager.

(c) Local Meals

In the case of meal expenses incurred for meetings in town or locally, it shall be the responsibility of the District Manager to review the expense report and assure that the expense is not a substitute for that which would normally be incurred by the employee or supervisor in day-to-day personal expenses.

(d) Meals as Part of Registration

In the event that meals are included in any registration or tuition fee, other charges for meals shall not be allowable.

(e) Travel Expenses of Spouse or Other Members of the Family

If an employee or supervisor's spouse or family accompanies him or her on a District business trip, the expenses attributable to the spouse or family members' travel, meals, lodging, etc. are in no circumstances reimbursable. If a spouse or family member accompanies an employee or supervisor on a business trip, the reimbursable business expense for transportation and lodging is the single rate cost of accommodations for the employee or supervisor.

5) *Cell Phone Usage / Expenses*

The District may approve, for certain employees, a quarterly allowance to defray the cost of using personal mobile devices and service in the conduct of District business. Initial purchase of the device, accessory equipment, activation fees, lost, damaged, or replacement fees will be the responsibility of the employee. The employee will pay any costs exceeding the amount of the mobile device reimbursement. No reimbursement will be paid when an employee is in a leave status exceeding (30) days, unless approved by the District Manager. Taxability: The Mobile Communication Device Reimbursement is not subject to tax

and will be provided to the employee via quarterly reimbursement check. For determination of individual taxability, employees should check with their tax advisor. Employees must meet one or more of the business need criteria below to be eligible for the Mobile Communication Device Reimbursement.

Remote Working

PURPOSE AND DEFINITION

This policy provides guidance on the District's expectations and limitations for intermittent or regular remote working. Remote working is the process of working on routine District business from a location other than the District's regular place of business. This is typically done using a mobile workstation and/or virtual private network (VPN) access to the District server. This may be done on an intermittent basis to facilitate attending to assigned workloads while accommodating schedule irregularities or a work-home life balance provided it be approved by the District Manager. Regular remote working involves an arrangement on a short-term basis to meet exceptional operational circumstances. Remote working is not a formal employee benefit. Rather, it is an alternative method of meeting the needs of the District.

The terms 'employee' and 'remote worker' are synonymous in this section.

SCOPE

This policy creates no employee rights in relation to remote working. The District considers remote work to be a viable voluntary work alternative in cases where individual, job, and team characteristics are well suited to such an arrangement and there are demonstrable benefits to the District. Remote work allows an employee to work at home, on the road, or at a satellite location for all or part of their workweek. It is not an entitlement; it is not a District-wide benefit; and it in no way changes the terms and conditions of employment with the District. Individuals requesting formal remote work arrangements must have been employed with the District for a minimum of 12 months of continuous, regular employment unless an exception is approved by the appointing authority. The employee must have received a satisfactory review on their last performance evaluation. The employee must not have any disciplinary action taken against them during the past year. Seniority will not be a basis for selecting employees to participate in this program. Intermittent remote working may be approved by the District Manager. A formal agreement for intermittent remote working is not needed. A formal agreement is required for regular remote working. This is a short-term discretionary option available to the District Board. The District Board must approve regular remote working arrangements. In exceptional situations, including cases of public emergency and/or in compliance with public health guidance for contagious diseases, remote working may be mandated by the District Board.

BENEFITS AND CHALLENGES

The District's remote work policy is intended to allow flexibility for employees to better meet the needs of customers and advance the District's goals and objectives. There are many benefits and challenges associated with remote work that must be considered to determine if, and under what conditions, it is warranted.

- 1) *Potential benefits for the District*
 - Reduced overhead
 - Space savings, and the associated costs

- Increased productivity
- Improve employee recruitment and retention
- Improve employee morale
- Improve customer service

2) *Potential benefits for the employee*

- Reduced travel time and costs
- Flexible work hours
- Improved job satisfaction

3) *Potential benefits for the public*

- Reduced traffic congestion, air pollution, and fuel consumption
- Greater accessibility to services
- Improved customer service

4) *Potential Challenges of Remote work*

- Management responsibility for strategically aligning remote working with the continuity of operations, and altering the terms to ensure the remote work program supports the needs of the office
- Supervisory responsibility for managing the remote worker offsite, measuring performance and results, absence of interaction or socialization, overcoming organizational barriers, accountability, potential for abuse, recording time and attendance
- Remote worker uneasiness with perhaps less interaction with or feedback from supervisor and co-workers, building relationships with colleagues, becoming familiar with the workplace culture, impact on potential promotional opportunities, be self-directed, reliable and accountable, and maintain or improve productiveness
- In-office co-workers' confusion or even resentment regarding remote working colleagues
- Technology supplied, maintained, repaired, replaced and improved by the employer and the remote worker
- Information security concerns, access to (un)secured networks, access to protected information in non-secured locations
- Occupational health concerns, such as remote worker safety, OSHA requirements, Workers' Compensation responsibilities, and general liability

AGREEMENT

Employees who are approved for remote working shall sign and abide by a Remote Working Agreement. The Agreement may require modifications to fit individual remote working circumstances. A copy of the Agreement shall be retained in the employee's personnel file.

Unless otherwise stated in the Agreement, the District Manager, or the employee may discontinue the arrangement, giving at least one (1) weeks' written notice. The parties may negotiate a longer notice to provide for a smooth transition.

GENERAL PROVISIONS

To ensure an effective, productive remote work program, the District establishes the following general provisions.

1) *Communication*

While remote working, the employee shall be reachable by telephone, or e-mail during agreed-upon work hours. The employee and District Manager shall agree on expected turnaround time and the medium for responses.

2) *Conditions of Employment*

The remote worker's conditions of employment shall remain the same as for non-remote working employees. The remote worker will have regularly scheduled work hours agreed upon with the District Manager, including specific core hours and telephone accessibility. The agreed upon work schedule shall comply with Fair Labor Standards Act. Overtime work for a non-exempt employee must be pre-approved by the District Manager. The remote worker will attend job-related meetings, training sessions and conferences, as requested by the District Manager. In addition, the remote worker may be requested to attend "short-notice" meetings. The District Manager will use telephone conference calling whenever possible as an alternative to requesting attendance at "short-notice" meetings.

3) *Dependent Care*

Remote work is not a substitute for childcare or other dependent care. Remote workers shall make or maintain childcare arrangements to permit concentration on work assignments. Remote workers will not be available during company core hours to provide dependent care. The remote worker will not have any other part time or full-time employment outside of the District during core business hours.

4) *Effectiveness*

Remote working must not adversely affect customer service delivery, employee productivity, or progress of an individual or team assignment.

5) *Equipment*

Home worksite furniture and equipment shall generally be provided by the remote worker. In the event that equipment and software is provided by the District at temporary/alternative work location, such equipment and software shall be used exclusively by the remote worker and for the purposes of conducting District business. Software shall not be duplicated. The parties shall consult with the District Manager regarding the availability of equipment to loan. If the District provides equipment, the remote worker is responsible for safe transportation, maintenance, and set-up of such equipment.

Any District equipment and/or materials taken to a temporary/alternative work location should be kept in the designated work area at the site and not be made accessible to others.

6) *Equipment Liability*

Surge protectors must be used with any District computer made available to the remote worker. The employee will be responsible for:

- any intentional damage to the equipment;
- damage resulting from gross negligence by the employee or any member or guest of the employee's household;
- damage resulting from a power surge if no surge protector is used;
- maintaining the current virus protection for software.

The District may pursue recovery from the remote worker for District property that is deliberately, or through negligence, damaged, destroyed, or lost while in the remote worker's care, custody or control. Damage or theft of District equipment that occurs outside the employee's control will be covered by the District. Remote workers should check their homeowner/renter's insurance policy for incidental office coverage. The District does not assume liability for loss, damage, or wear of employee-owned equipment.

7) *Expense Reimbursement*

Employee shall obtain approval by the District Manager to incur direct expenses. Employee will be reimbursed for direct expenses resulting solely from the remote working arrangement. Employee must submit receipts for reimbursement of direct expenses.

8) *Home Work Site*

The remote worker will not hold business visits or meetings with professional colleagues, customers, or the public at home worksite. Alternative meeting sites should be at the client's home, or a designated alternative site.

9) *Inclement Weather*

If there is an emergency at the remote work-site, such as a power outage, the remote worker will notify the District Manager as soon as possible. The remote worker may be reassigned to an alternate worksite.

10) *Injuries*

The employee will be covered by workers' compensation for job related injuries that occur in the temporary/alternative work location, including the remote worker's home, during the defined work period. In the case of injury occurring during the defined work period, the employee shall immediately report the injury to the District Manager. Workers' compensation will not apply to non-job-related injuries that might occur in the home. The District does not assume responsibility for injury to any persons other than the remote worker at the temporary/alternative work location.

11) *Inspections*

In case of injury, theft, loss, or tort liability related to remote work, the remote worker must allow agents of the District to investigate and/or inspect the a temporary/alternative work location.

12) *Leave*

The remote work employee must obtain District Manager approval before taking leave in accordance with District policy.

13) *Liability*

The employee's temporary/alternative work location will be considered an extension of the District's workspace and the District will continue to be liable for job-related accidents that occur in the remote working workspace. The District assumes no liability for injuries occurring in the employee's home workspace outside the agreed upon work hours. The District is not liable for loss, destruction, or injury that may occur in or to the employee's temporary/alternative work location. This includes family members, visitors, or others that may become injured within or around the employee's temporary/alternative work location.

14) *Office Supplies*

The District shall provide any necessary office supplies.

15) *Performance & Evaluations*

While remote working the District Manager and employees will have weekly meetings to monitor and evaluate performance by relying more heavily on work results rather than direct observation. The employee remains obligated to comply with all company rules, practices and instructions as detailed in the District's handbook.

16) *Policies*

District policies, rules and practices shall apply at the temporary/alternative work location, including those governing communicating internally and with the public, employee rights and responsibilities, facilities and equipment management, financial management, information resource management, purchasing of property and services, and safety. Failure to follow policy, rules and procedures may result in termination of the remote work arrangement and/or disciplinary action.

17) *Quality of Work*

All work shall be performed according to the same high standards as would normally be expected at the primary worksite.

18) *Record Retention*

Products, documents and records that are used, developed, or revised while remote working shall be copied or restored to the District server. Whenever possible, products from remote work shall be accessed and worked on using VPN on the District's server or NAS.

The remote worker is responsible to ensure that non-employees do not access District data, either in print or electronic form.

20) Taxes

A home office, if applicable, is not an automatic tax deduction. Remote workers should consult with a tax expert to examine the tax implications of a home office.

21) Telephone/Internet Expenses

The remote worker and supervisor will use the most efficient and effective way of handling long distance calls, whether that is the use of a prepaid cellular phone or reimbursement of long distance business calls.

22) Travel

The remote worker will not be paid for time or mileage involved in travel between the temporary/alternative work location and the primary worksite.

Tobacco and Alcohol-Free Policy

All District operated facilities and owned vehicles will be tobacco and alcohol free. The tobacco free designation prohibits the carrying of a lighted cigarette, cigar or pipe and the use of any other smoking materials as well as smokeless tobacco. Tobacco use by all employees will be limited to regular breaks, namely: 2 - 15 minute breaks (one in the morning, and one in the afternoon) and one-half hour lunch period. Drinking alcoholic beverages during working hours, being intoxicated while at work or consuming or being under the influence of non-prescribed, controlled drug, while at work or possessing or having in the employee's control, on District property, alcoholic beverages or a non-prescribed controlled drug while at work is prohibited.

If the District office is closed due to a weather emergency, before or during the work day, subject to the requirements of State and Federal law, the following shall apply:

1. Non-exempt employees will not be paid for the shift or portion of a shift except by utilizing accumulated compensatory time, earned PTO, documented EMB or leave without pay or by making up the time by balancing hours with the current work week as authorized by the District Manager.
2. Employees and citizens may be advised not to leave the premises because of severe weather or other emergency conditions, such as tornadoes, continuing after regular office hours. Simply remaining on the premises after hours will not entitle employees to overtime compensation.

When a District office has not been officially closed during inclement weather, the following policy shall apply:

1. Employees who, because of inclement weather, report to work after the start of their scheduled work shift or desire to leave work early may utilize accumulated compensatory time, earned PTO or leave without pay or by making up the time by balancing hours within the current work week as authorized by the District Manager. This provision is subject to the employee reaching agreement with the District Manager as to the severity of the inclement weather.

COMP TIME AND PREMIUM WAGES

It is the policy of the District, consistent with M.S. 177.21 to compensate employees who are "non exempt" from the provisions of the Minnesota Fair Labor Standards Act for time worked in excess of 40 hours in a regular work week with either:

1. Compensatory time off (comp time) of 1.5 hours for every 1 hours worked in excess of 40 hours . The district has set a maximum allowable accumulation of comp time of 60 hours, OR
2. Premium wages of one and one-half times the employee's regular hourly wage shall be paid if the employee has the maximum 60 hours comp time banked, or at the Manager's discretion.

Calculation and compensation of overtime is subject to the following:

1. A workweek consists of seven (7) consecutive days (168) hours generally beginning at 12:01 am each Saturday.
2. Employees shall get pre-approval from the Manager before working an excess of 40 hours in a workweek.

3. Meal periods and any compensated leave of absence (i.e. PTO, EMB leave, compensation time, holiday leave) shall not be counted as hours of work for purposes of determining overtime.
4. No premium wages will be paid nor compensatory time accrued at time and one-half for work in excess of eight (8) hours a day or for work on a holiday unless such work results in more than forty (40) hours worked in a workweek.
5. For part time employees, compensatory time shall be accrued at straight time (one hour compensatory time for each hour worked) for hours worked in excess of the scheduled workweek but less than forty (40) hours in a workweek.
6. All compensatory time accrued by an employee at such time as the employee changes status from non-exempt to exempt, or terminates employment shall be paid to the employee at the rate the employee was paid immediately prior to the change of status, or the average pay rate for the previous three years, whichever is higher.
7. The scheduling of compensatory time off shall be at the request of the employee and at the discretion of the District Manager subject to staffing needs.
8. A record of all hours worked shall be maintained on an employee timesheet.

EXEMPT EMPLOYEES

Exempt employees are not eligible to receive overtime compensation or to accrue compensatory time, and are not paid on the basis of hours worked. Exempt employees are guaranteed their full weekly salary for any week in which they perform work, except that deductions will be made if an exempt employee is absent from work for a full day or more for personal reasons or for illness and the employee has exhausted accrued leave under the District's PTO or EMB leave plan. Deductions may be made for disciplinary suspensions of five days or more.

Per MN Statutes 177, exempt employees may be granted compensatory time off or overtime pay in the following circumstances:

- The employee must hold an appointed position, and not an elected office. For the purpose of this section a person appointed to fill the term of an elected official is considered an elected official.
- The employee provides work in excess of 40 hours in a regular work week for a special project for the employer, and not merely additional working hours.
- The specific project is of special, unique benefit to the employer.
- The overtime pay or compensatory time off is formally approved by a resolution or motion of the Board, setting a specific limit to the overtime pay or compensatory time off.

The District Board may reinstate such employee where appropriate.

A medical leave of absence may be granted to employees who are either ineligible for leave under the District FMLA policy or who have exhausted their entitlement to that leave. A medical leave of

absence may be granted upon exhaustion of accumulated EMB to employees by the District Board on the grounds of sickness or disability, for a period not to exceed 12 months. Failure to return at the expiration of the medical leave will be considered a voluntary resignation. For leaves without compensation of thirty-one days or less, the District will continue its normal premium contributions. Failure on the part of the employee to request and receive authorization for an extension before expiration or to notify the District Manager or Personnel Committee three (3) working days after the expiration of such leave shall be considered a resignation.

DISABILITY INSURANCE

The District does not offer short or long term disability insurance coverage for employees.

Discipline

The Isanti SWCD recognizes its continuing responsibility to develop and administer regulations and disciplinary measures in a fair and consistent manner. The District further recognizes the obligation of all employees to conform to regulations that are applicable to their assignment.

WHISTLE BLOWER PROTECTION

1. The District cannot discipline an employee for making a report of a violation or suspected violation of state or federal law. Minn. Stat. 181.932.
2. The District cannot discipline employee for employee's failure to perform assigned work if failure is based upon employee's articulated reasonable belief that the required performance would violate state or federal law. Minn. Stat. 181.932.
3. Other state and federal statutes, such as OSHA, already contain whistle blower protection for employees who report violations. 29 U.S.C. 660 (c).

JUST CAUSE

District employees shall be subject to disciplinary action for failing to fulfill their duties and responsibilities or for engaging in inappropriate conduct. It shall be the policy of the District to administer disciplinary penalties without discrimination of any nature. All disciplinary action shall be for just cause, and the regular and limited-term employee has the right to review, through the grievance procedure, any disciplinary action that the employee believes to be unjust. The District Manager shall investigate all allegations before disciplinary action is taken.

Examples of "cause" for a disciplinary action may include, but are not limited to the following:

1. Lack of ability to competently and efficiently perform the duties of the position or classification held by the employee.
2. Failure to produce the quality of work and/or the quantity of work the position or classification requires.
3. Inappropriate treatment of fellow employees or other persons.
4. Insubordination, which is defined as a refusal to follow reasonable written or oral procedures, instructions, or directives from a supervisor or the District Manager.
5. Acceptance of a fee, gift or other item of value in the course of the employee's work that might reasonably be construed as evidence of or has the appearance of favoritism, coercion, unfair advantage or collusion. These limitations are not intended to prohibit the acceptance of articles of negligible value that are distributed generally, nor to prohibit employees from accepting social courtesies that promote good public relations.
6. Careless, negligent or willful conduct that causes damage or loss of District property.
7. Failure to observe safety rules or regulations or engaging in unsafe work practices.

8. Failure to wear a seatbelt while traveling in a District vehicle or otherwise conducting District business.

22. Engaging in an unapproved conflict of interest as defined in Isanti SWCD policies. Before engaging in any other employment or activity that might be or appears to be a conflict of interest the employee shall obtain prior approval from the District Board. A conflict of interest exists when the employee's outside employment or activity is inconsistent, incompatible or in conflict with District employment.
23. Violating District rules or policies.
24. Acts involving moral turpitude that affect the performance of assigned responsibilities.
25. Engaging in prohibited political activity.
26. Using, threatening to use, or attempting to use political influence or attempting to exert unethical pressure on any District employee or officer in securing promotion, transfer, leave of absence, increased compensation or other favors.

PROGRESSIVE DISCIPLINE

In general, the District Board or District Manager will use progressive discipline. However, the District reserves the right to take any disciplinary action it deems appropriate under the circumstances.

Disciplinary measures may include, in any order, oral or written reprimand, demotion, suspension or termination. It is not required that each level of progressive discipline be used in every case.

INVESTIGATIONS

In the event that the District Board determines that there is a need for an investigation, a Notice of Privacy Practices will be provided for all involved personnel advising them of the investigation, its purpose, implications and their rights.

SERIOUS INFRACTIONS

Acts by employees that:

1. Constitute just cause for disciplinary action; and,
2. Are serious in nature or consequences; and,
3. For which gradual and corrective discipline is inappropriate;

shall constitute serious infractions and shall be grounds for immediate suspension and/or termination.

TYPES OF EMPLOYEE DISCIPLINE

All other acts by employees that constitute just cause for disciplinary action shall be dealt with progressively in the following manner:

1) *Oral Reprimand*

The District Manager shall explain to the employee about the action or behavior that the District Manager wishes the employee to change, cease, or begin, as well as inform the employee of the consequences of repeated infractions.

2) *Written Reprimand*

The District Manager shall provide written notice to the employee explaining the action or behavior that the employee is to change, cease, or begin. The written reprimand shall describe in detail the factual basis for the reprimand; directives for correcting actions or behavior; and consequences of violating a condition or other personnel rule. The written reprimand shall be signed by the District Manager or Chair of the District Board and presented in person by the District Manager. The employee should sign all copies to acknowledge receipt; if the employee refuses, the presenter shall note it on the form. A copy of the written reprimand shall be placed in the employee's personnel file.

3) *Demotion*

A movement of an employee to a position in a lower grade may be used as a form of discipline if an employee has engaged in an act or course of conduct that constitutes just cause.

4) *Suspension without Pay*

The Chair of the District Board may suspend an employee without pay for up to thirty (30) working days. The suspension notice must include;

- a) the factual basis for suspension;
- b) directives for correcting the action or behavior;
- c) consequences of violating a condition or other personnel rule; and
- d) notice that the employee has a right to appeal the suspension.

At the discretion of the District Board, all or part of an exempt employee's disciplinary suspension may take the form of a deduction from the employee's PTO balance.

Under limited circumstances, an employee may be suspended with pay during an investigation of a potential disciplinary matter.

5) *Discharge*

(a) Non-Regular Employees

Non-regular employees are subject to dismissal at any time, with or without cause.

(b) Probationary Employees

Termination may occur at any time during an employee's probationary period without cause. The District Board, or District Manager if designated, shall give written notice of termination to the probationary employee before the employee's probationary period

expires. An employee who is discharged during a probationary period has no grievance or appeal rights.

(c) Regular and Limited-Term Employees

Limited-term employees and regular employees may be discharged from employment for just cause.

METHODS OF NOTIFYING AN EMPLOYEE OF A DISCIPLINARY ACTION

1) *Written Reprimand, Suspension or Demotion*

- (1) *A brief description of the basis for the discharge;*
- (2) *The statement that the employee is being placed on a five-day administrative leave without pay; and*
- (3) *Notice that the employee is entitled to a pre-termination hearing with the District Board during the suspension period.*

(b) Pre-Termination Hearing

(c) Effective Date of Discharge

The discharge shall be effective only after;

- (1) *A pre-termination hearing has been held and the discharge decision upheld;*
- (2) *The right to a pre-termination hearing has been waived; or*
- (3) *The five-day administrative leave period has expired with no meaningful action by the employee.*

(d) Final Notice

LEGAL CONSULTATION

Suspensions, demotions and discharges will only be undertaken after consultation with the County Attorney's Office.

ADDITIONAL NOTICE AND PROCEDURAL REQUIREMENTS FOR VETERANS

In addition to the requirements set forth above, veterans who are demoted or discharged from any position that is not temporary are entitled to these additional rights:

1. The employee must be notified, in writing, of the employee's right to request a veteran's hearing within sixty (60) days of the notice of intent to discharge.
2. During the sixty (60) day period, at the option of the District Board, the employee will either work the employee's regular hours at a job designated by the District Board, or be placed on suspension with pay.
3. Failure to request a hearing within the sixty (60) day period shall constitute a waiver by the employee of the right to a hearing and all other legal remedies for reinstatement.

A veteran may elect either a veteran's hearing or an appeal hearing available to non-veteran employees under these Personnel Rules and Regulations. The election of one of these remedies constitutes the waiver of the other remedy.

Grievance Procedures

DEFINITION

A grievance is a dispute or disagreement raised by an employee or group of employees against the District and/or the District Manager because of an interpretation or alleged violation of these Rules and Regulations.

PROCEDURE

It shall be the policy of the District to address all grievances promptly and fairly. In order to facilitate the processing of employee grievances in an orderly and just manner and to provide the employee access to all levels of management and a fair and impartial hearing, the following procedures are to be used:

1) Step I. District Manager

An employee having a grievance shall present such grievance to the District Manager within five (5) working days after the event causing the grievance. It shall be the responsibility of the District Manager to investigate the grievance, discuss the grievance with the employee and give a written answer to the employee within five (5) working days from the time the grievance was initially presented wherever practicable. The District Board may grant the District Manager a time extension to address the grievance. A notification of such decision will be provided to the employee with a specific date by which the response will be given.

2) Step II. Personnel Committee

A grievance not resolved in Step I may be appealed to Step II. The employee shall place the grievance in writing, which shall set forth:

- a. the nature of the grievance;
- b. the underlying facts, including the date of the aggrieved event;
- c. the provision(s) of these Rules and Regulations allegedly violated; and
- d. the remedy requested by the grievant.

The Step II grievance shall be served on the Chair of the Personnel Committee (or Board Chair if no committee exists) within (10) working days from the time of the District Manager's Step I response. A meeting shall be scheduled between the Personnel Committee (or Board if no committee exists), the grievant, and the District Manager to be held within fifteen (15) working days from the day of receipt of the Step II grievance.

This meeting may be continued by the Chair of the Personnel Committee for good cause shown by either party. The meeting shall consist of a brief presentation by the grievant (or representative), a

response by or on behalf of the District Manager, and a rebuttal by the grievant. The Personnel Committee may ask questions of either party.

The Personnel Committee shall review the matter and make a written determination within fifteen working days. If the Personnel Committee needs a time extension, the Chair of the Personnel Committee shall notify the parties of such need and shall give the parties a date certain by which the determination will be provided. The Personnel Committee's decision or action may be appealed in writing within five (5) days of the decision or action by notifying the District Board in accordance with the procedure listed below.

3) *Step III. Entire Board of Supervisors*

COMPOSITION

The District Board of Appeals is composed of the entire five (5) member District Board of elected Supervisors.

AUTHORITY

The District Board of Appeals is authorized to hear and decide appeals of Step II Grievances.

APPEAL PROCEDURE

The appealing party shall appeal in writing within five (5) working days of receiving the Step II decision. The appealing party shall provide the following appeal packet to the District Manager or Personnel Committee Chair in person or by mail:

1. Notice of Appeal from Step II decision. The Notice of Appeal shall contain the appealing party's name, signature, mailing address and job title;
2. A copy of the District Manager's Step I response;
3. A copy of the Step II grievance;
4. A copy of the Step II decision.

The appeal packet may be mailed to the District Manager at the regular Isanti SWCD business address.

Appeals delivered by mail must be postmarked within the prescribed time limits. Failure to file timely will result in a waiver of the right to appeal.

NOTIFICATION OF HEARING

The District Manager shall send written notice of the date, time and location of the appeal hearing. Notice shall be sent to the last known address of the appealing party, unless otherwise notified.

HEARING

1. The District Board of Appeals shall conduct a public hearing within 30 working days of receipt of the appeal. At the reasonable request of either party, the District Board of Appeals may schedule the hearing beyond the 30-day period.
2. The Chair of the District Board shall preside over the hearing, or when absent, the Vice Chair. Three members of the District Board of Appeals shall be sufficient to hold a hearing and render a decision. The District Board of Appeals may uphold, reverse, modify, or remand the matter to the Personnel Committee for further action consistent with the District Board of Appeals' directives.
3. Technical rules of evidence shall not apply. All relevant evidence may be introduced into the record. Legal counsel throughout the proceedings may represent either party. If requested by the District Board of Appeals, the parties shall submit post-hearing written arguments. Both parties may testify, present witnesses and other evidence, and may cross-examine the other

party's witnesses. All testimony shall be under oath or affirmation. The appellant shall present first and shall have the burden of proof. The hearing shall be recorded.

4. Within ten working days of the end of the hearing or receipt of the post hearing written arguments, if any, the decision of the District Board of Appeals shall be mailed to both parties at their last known address and to the District Manager and Personnel Committee Chair.

WITHDRAWAL OR SETTLEMENT PRIOR TO DISTRICT BOARD OF APPEALS' DECISION

Any time before the District Board of Appeals renders its decision, the grievant may withdraw the appeal or the parties may settle. Any withdrawal or settlement of the grievance must be in writing and signed by the parties. A copy of the withdrawal or settlement document must be submitted to the District Board of Appeals Chair and the District Manager.

TIME PERIODS

In computing any period of time prescribed by these rules, the day of the last act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included unless it is a Saturday, Sunday or a legal holiday.

SUSPENSION OF PERSONNEL ACTION

In computing any period of time prescribed by these rules, the day of the last act, event or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included unless it is a Saturday, Sunday or a legal holiday.

APPEAL OF THE DISTRICT BOARD OF APPEALS DECISION

Decisions of the District Board of Appeals shall be final unless appealed in accordance with Minn. Stat. § 606.01.

A veteran may appeal the decision of the District Board of Appeals (Civil Service Commission) to district court in accordance with Minn. Stat. § 197.46.

TIME LIMITS

If the grievance is not presented within the time periods set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit it shall be considered settled on the basis of the last answer. If the proper authority does not answer a grievance or appeal thereof within the specified time limits, the employee shall treat the grievance as denied and may immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual agreement of the employee and authority involved in the step, or by the Chair of the Personnel Committee at the request of either party.

Conflict of Interest

District employees may engage in other employment, activities or enterprise for private gain provided it does not constitute a conflict of interest. To reduce the likelihood of an employee engaging in outside employment or activities for private gain that would constitute a conflict of interest with public duties or be inconsistent or incompatible with public employment, the following should be adhered to:

1. District employees may not provide services for a third party for private gain which may later be subject directly or indirectly to the control, inspection, review, audit or enforcement by such employee in his/her capacity as a District employee.
2. Consultation activities related to projects located outside Isanti County will not be performed for parties that conduct business within Isanti County and whose work may be subject to District review and comment.
3. In soliciting and performing consultation activities for private gain District Employees will not refer to or otherwise associate themselves as representing the District.

4. District office space, files, maps, letterhead, computers, computer software, phones, supplies, field equipment and all other District property may not be used by District Employees when performing consultation activities.

If a conflict of interest related to District duties or activities arises as a result of District Employee performance of consultation activities, or if such activities in any way damage the District or its supervisors or staff, District employees shall cease such activities immediately. It is agreed that the issue will then be presented to the District Operations Committee (or District Board if no committee exists) for review and recommendation to the full Board of Supervisors regarding continuation of such activities by District Employees.
