The District manager has taken up the technical coordination to ensure the correct information will be provided to the DNR for mapping. Several meetings have been held with the County Administration, Ditch Authority and Zoning staff. Additionally, a small cost share program using CRP, EQIP, SWCD funds and Pheasants Forever is under development.</p> <p>2016 staff time (primarily district manager) spent on BuffCAT buffer compliance tracking. Time was also spent educating myself and involving the County Administration and Zoning in the process so they could decide whether or not to take on the enforcement responsibility.</p>
