

# The Blue Lake Restoration Project

Are you interested in protecting the health of  
Blue Lake?

Please join the Isanti Soil and Water Conservation District (ISWCD) to learn how you can play a role in protecting the health of Blue Lake. The Blue Lake Improvement District along with the ISWCD have secured \$28,500 for installing water protection projects around Blue Lake. Projects will be installed this summer!

## Workshop Topics

- Restoration Project overview.
- What is a shoreline restoration?
- Installing shoreline restoration projects.
- How to get involved.

*Funding Available*
